Private Contract for Medicare Beneficiaries

I, and if appropriate, my representative understand that Dr. Mark Cohen is not a participating Medicare Provider. As a result, I/we accept the following to be true:

1. I and, if appropriate, my legal representative accept full responsibility for payment for all charges for services furnished by Dr. Cohen.
2. Medicare fee limits do not apply to services provided by Dr. Cohen.
3. Neither I nor, if appropriate, my legal representative may submit a claim to Medicare or ask Dr. Cohen to submit a claim to Medicare for his services.
4. Medicare payment will not be made for any services furnished by Dr. Cohen that would have otherwise been covered by Medicare if there was no private contract and a proper Medicare claim had been submitted.
5. I or, if appropriate, my legal representative, enter into this contract with the knowledge that I have the right to obtain Medicare-covered services from practitioners who have not opted out of Medicare,

and that I am not compelled to enter into private contracts that apply to other Medicare–covered services furnished by other practitioners who have not opted out.

6. Dr. Cohen's current opt–out date will expire on October 1, 2015.
7. I and, if appropriate, my legal representative, understand that Medigap plans do not, and supplemental plans may elect not to, make payments for services not paid for by Medicare.
